BODY OF ROUGH RIDER RESTS AT SAGAMORE

(By Associated Press.)
OYSTER BAY, Jan. 8.—Except for two sons absent overseas the family of Theodore Roosevelt assembled in the living room of Sagamore Hill shortly before noon for the first of the trinity of simple services at the home, at the church and graveside, with which the body of the noted American was laid to rest as a private citizen of this village.

Mrs. Roosevelt, sharing her husband's antipathy for the funeral ceremony decided not to attend the church service nor join the procession to the cemetery. In the house the service included prayer and reading of the 91st psalm which lasted hardly more than five minutes, while the ritual before the altar was concluded 20 minutes after the casket was brought into the edifice.

The element of simplicity was followed even to the omission of the customary organ voluntary while the formal Episcopal funeral services were being read. After the church ceremony the casket was moved to the cemetery where the cortege halted at the entrance and the pallbearers carried the casket to the Roosevelt plot a short distance away.

Sixty persons attended the home services. A morning's snowstorm gave way to a brilliant sunshine as the cortege started from Sagamore Hill to the church. Thousands viewed the procession.

(By Associated Press.)
COPENHAGEN, Jan. 8.—A decision to use all military forces to end Spartacan agitation was reached at a council of war held in Berlin by the central council of soldiers and workmen last night, according to a Berlin dispatch. Gustave Noske has been appointed commander in chief of the government troops which are concentrated near the chancellor's palace. The government refused to negotiate with the Spartacans.

Street fighting has been particularly sanguinary owing to the fact that the Spartacan element has plenty of weapons taken from the munition factories at Sverdlov. While machine guns were firing and bombs dropping, moving picture operators were busy recording scenes enacted on the streets. It was announced recently that the American army had sent motion picture operators to Berlin.

PRELIMINARY SPARRING BEGINS TOMORROW BETWEEN ENTENTE STATESMEN ON VITAL ISSUES

(By Associated Press.)
PARIS, Jan. 8.—Notwithstanding his physician Wilson couldn't be forced to take a full day's rest. He walked to the headquarters of the American mission for a conference. The peace congress will begin Thursday. These conferences probably will be Wilson's only official activities prior to the beginning of the peace congress as it is necessary for him to get some rest after his fatiguing round of speeches and traveling. There seems excellent authority for saying that plans for a settlement of the most important questions—the league of nations, freedom of the seas and disarmament are still very indefinite.

(By Associated Press.)
WASHINGTON, Jan. 8.—Democrats of the senate began a series of conferences today with Democratic leader Martin to plan unity of action during the remainder of the present session and to discuss the majority's attitude toward the president's peace plans, particularly the league of nations proposal. It was said informally that the opinion of the conference was that the president should be left with a free hand.

(By Associated Press.)

Trotsky was prompted to make the arrest because of a difference of opinion with Lenin concerning Bolshevik reforms, the dispatch states. Lenin desired to effect a coalition with the moderates, while Trotsky wished to continue the reign of red terror.
